## 8. Conditions

### Things to know before you go

#### Check-in:

To get your boarding pass(es), check in online or on the FREE Allegiant mobile app starting 24 hours before scheduled flight departure.

Airport ticket counters and check-in close 45 minutes prior to scheduled flight departure. Please plan to:

- Arrive at the airport at least two (2) hours prior to scheduled flight departure.
- Be checked in, through airport security and at the boarding gate at least one (1) hour before departure.
- Be on board the aircraft at least 20 minutes prior to departure.

#### Seat Assignments:

Passengers who have not purchased a seat assignment -- "Not assigned" -- will be assigned a seat by our system at no cost upon check-in. You can view your assigned seats during online check-in starting 24 hours before flight departure. Seats together cannot be guaranteed and seat assignments cannot be changed at airport check-in. If you would like to purchase reserved seats, simply log in to [Manage Travel](#) to select seats before you check-in online or get to the airport. If you have paid for a seat assignment and are asked to move to another seat in order to accommodate a passenger with a disability per the Air Carrier Access Act, seat selections for that segment will be reimbursed.

Save money by reserving your checked and carry-on bags before you get to the airport. (See table below)

Please measure your bags carefully. All exterior measurements include wheels, pockets, handles and decorations.

#### Airport bag fees will apply to:

- Carry-on and checked bags which have not been reserved in advance.
- Oversize Personal Item (exceeding 7 in. x 15 in. x 16 in.)
- Excess or oversize Carry-on Bag (exceeding 9 in. x 14 in. x 22 in.)
- Unpaid carry-on baggage brought to the gate.

#### Overweight and oversized checked bag fees apply to:

- Overweight Checked Bags - between 41 and 70 pounds (18.6-31.8 kilos): \$50.00 additional per segment.
- Overweight Checked Bags - between 71 and 100 pounds (32.2-45.4 kilos): \$75.00 additional per segment.
- Oversize Checked Bags: height + width + depth in excess of 80 linear inches (203.2 cm): \$75.00 additional per segment

Please note: passengers may bring car seats/strollers, mobility aids or assistive devices, medical equipment such as portable oxygen concentrators or diabetic supplies, food for consumption in flight, a coat, jacket, diaper bag, or an umbrella on board the aircraft without charge.

*In accordance with FAA/TSA Security Directives, passengers are restricted to one (1) item of carry-on baggage that does not exceed external dimensions of nine inches by fourteen inches by twenty-two inches (9 in. x 14 in. x 22 in.) (e.g., roll-aboard bag, garment bag, tote bag). This item must be stored in the overhead compartment and is subject to applicable fees. In addition, passengers may bring on-board one (1) smaller personal-type item not to exceed external dimensions of seven inches high by fifteen inches wide by sixteen inches deep (7 in. x 15 in. x 16 in.) (e.g., purse, briefcase, laptop computer, small backpack, small camera), provided that such item is capable of being carried onboard the aircraft by one person without assistance and is capable of being stowed under a seat. Carrier reserves the right to further restrict the size and number of carry-on items whenever necessary. In the event that onboard space is unavailable, any gate bags will travel as checked baggage. Qualified individuals with a disability will be provided assistance upon request to Carrier's Representatives in loading, stowing, and retrieving carry-on items, including authorized assistive devices.*

**Baggage Fee Table.** The fees shown for checked bags and carry-on bag are by route and per bag, each way. Save by purchasing your bags now: Bags added pre-departure after your initial booking will cost more. The effective date for baggage pricing is for all new reservations made from the effective date onward.

**\*\*Please note, effective May 21, 2015, for travel starting November 4, 2015, All Pre-Departure bag fees will be \$45.**

## IMPORTANT NOTICES

### Baggage Liability Limitations:

For domestic (U.S.) flights, Allegiant Air's liability for provable direct or consequential damages resulting from the disappearance of, damage to, or delay in delivery of a passenger's personal property, including baggage, in Allegiant Air's custody is limited to \$3,500 per passenger. (This limitation does not apply to wheelchairs or other mobility aids or assistive devices belonging to passengers with disabilities.) Please refer to Articles 75 and 76 of Allegiant's Contract of Carriage for additional information.

### E-Ticket Expiration:

### Overbooking of Flights:

Allegiant Air does not intentionally overbook its flights. Nevertheless airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline of 45 minutes

airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.

Incorporated Terms:

Air transportation provided by Allegiant Air is subject to the terms of Allegiant's Contract of Carriage, and all such terms are herein incorporated by reference. Incorporated terms may include but are not restricted to (1) limits on liability for personal injury or death; (2) limits on liability for loss, damage or delay of baggage, including fragile or perishable goods; (3) claims restrictions, including time periods within which passengers must file a claim or bring an action against the air carrier; (4) rights of the air carrier to change terms of the contract; (5) rules about non-refundability of air transportation, hotel, auto, activities or services, baggage and seat fees, and related booking fees, carrier charges and taxes; reconfirmation of reservations, check-in times, and refusal to carry; (6) rights of the air carrier and limitations concerning delay or failure to perform service, including schedule changes, substitution of alternate air carrier or aircraft, and rerouting. You can obtain additional information on items 1 through 6 above at any U.S. location where Allegiant's tickets are sold. You have the right to inspect the full text of Allegiant's Contract of Carriage at its airport ticket counters or by clicking [here](#). You also have the right, upon request, to receive free of charge by mail or other delivery service the full text of Allegiant's Contract of Carriage including the terms referenced above. Information on ordering the full text of the Contract of Carriage is available at any U.S. location where Allegiant's tickets are sold.
